

Student's Name _____

Drew University Health Service
Standing Orders for Travel to Western Europe
(Belgium, France, Greece, Iceland, Ireland, Italy, Spain, Germany
United Kingdom)

VACCINES: *Highly recommended per the Center for Disease Control*

1. MMR immunizations up to date as required by Drew.
2. Tetanus/diphtheria booster within the past ten years.

Also recommended

Hepatitis B vaccine: 3 doses given on a 0-1-6 month schedule, or on a 0-1-2 month schedule with a 4th dose at 12 months (an approved accelerated schedule for travelers).

PRECAUTIONS:

1. Food and water (see CDC handout)
2. Sun screen
3. Accidents (see CDC handout)

I have read, understood, and received a copy of the above recommendations for travel. If I have further questions, I understand that I may consult with Drew University Health Service or the health care provider of my choice.
