THE COMPLETED APPLICATION PACKAGE SHOULD INCLUDE:

- Application Form
- Official Transcripts (in sealed envelopes)
- Response Essay
- 2 Letters of Recommendation (in sealed envelopes)
- Personal Statement
- Notification Postcard (self-addressed)
- $35 Application Fee

Note that all documents submitted become the property of Drew University and cannot be returned.

- **Application For Admission**: Applications are accepted for the spring, summer, and fall terms. While admission decisions are made on a rolling basis, applicants should allow themselves sufficient time to gather necessary documents. If possible, it is recommended you submit the application at least a month in advance of the anticipated start term.

- **Official Transcripts**: One copy of all academic transcripts from colleges, professional schools, and universities attended is required. Request that the registrar seal the transcript in an official school envelope, sign across the seal, and return the envelope to you. Do not open the envelope or break the seal. Occasionally, schools may prefer to send transcripts directly to the institution requesting them. If this is the case, official copies should be sent directly to the Office of Graduate Admissions. If time prohibits the applicant from obtaining official transcripts, the Admissions Committee may consider an application with unofficial transcripts. If this is the case and the applicant is admitted, the admission decision is conditional and subject to revocation pending the arrival of official transcripts.

- **Response Essay**: The purpose of the response essay is to assess an applicant’s writing and critical reasoning skills. The essay itself, which should address only ONE of the questions presented on the form, is not expected to necessarily be an academic paper, although it can take that format. The essay should demonstrate a clear thesis statement and adequate internal organization. The essay is expected to be a well-written and tightly-focused piece of work which should not exceed 1,000 words.

- **Letters of Recommendation**: Two letters of recommendation are required. Letters ideally should be from someone in a position to adequately comment on your intellectual and academic abilities. If you have been out of school for a significant period of time, you may submit letters from employers, supervisors, or other persons familiar with your background and most recent activities. Otherwise, letters should be from academic sources. Reply envelopes are provided for your convenience. Please address the envelopes to yourself, affix correct postage, and provide them to your recommenders. Recommenders should seal their letters in the envelopes, sign across the seals, and return them for enclosure in the application packet. Do not open these envelopes or break the seals. If a recommender prefers to mail a letter directly to Drew, it should be mailed to the Office of Graduate Admissions at the address noted on the recommendation form.

- **Personal Statement**: The Personal Statement should be typed and should follow the guidelines outlined on the application form. It is expected to present evidence concisely and coherently of an applicant’s motivation and preparation for graduate study as well as identify any topics of special research interest. The relevance of the proposed program of study to an applicant’s background and/or professional development should also be addressed. The overall length is not to exceed 1,000 words.

- **Application Fee**: A non-refundable $35 application processing fee must accompany the application. All checks or money orders must be in U.S. funds drawn on a U.S. bank and payable to Drew University.

FOR INTERNATIONAL STUDENTS ONLY

International students whose native language is not English must demonstrate English proficiency by submitting official Test of English (TOEFL) scores not more than two years old. The TOEFL test is administered by the Educational Testing Service, Princeton, New Jersey. You may contact ETS on the Internet at <http://www.toefl.org>. Official score reports must be mailed directly to Drew from ETS. Consult ETS for the testing schedule. An application is considered incomplete and will not be considered without these scores.
