

Chem 25 Writing Assignment I – Table (Rubric)

In italics, the maximum number of points each component is worth (and how to get that maximum number) is listed.

Name (including brand) of personal care product: _____ *4 pts* _____

Ingredient name	Structure (use ChemBioDraw)	List of functional groups	Purpose of chemical
<i>Lists 3-5 ingredients (4 pts)</i> <i>You will not be penalized for listing more than 5; you will be penalized for listing less than 3.</i>	<i>Correct structures for all ingredients, drawn in ChemBioDraw (8 pts)</i> <i>You will receive half-credit for drawing the structures by hand.</i>	<i>All functional groups correctly listed (10 pts)</i>	<i>Proposed purpose of the ingredient is included (4 pts)</i>
