

Student Employees

Fall 2018

Sofia Amorim '19

Departments: English, Concert Hall

Job Position: Student Worker, Front of House Manager

How will your student employment experience help you in the future?

In both jobs I've been able to develop clerical skills (word processing tools, digital imaging programs, etc.) and professional connections to members inside and outside of the Drew community. Networking and professional development skills are important to me. Being able to improve, build, and apply my skills in all aspects of my career offers me a continuous learning experience.

Hailey Benson '19

Departments: Theatre, Women's and Gender Studies

Job Positions: Costume Shop Supervisor, Website Editor

How will your student employment experience help you in the future? Getting experience in my field of expertise (costumes/wardrobe). Learning about Wordpress is great for many administrative positions

Joseph Bouffard '19

Department: Concert Hall

Job Position: Usher & Technical Assistant

How will your student employment experience help you in the future? My job has enhanced my professional communication and organizational skills.

Jordan Burnett '19

Department: Center for Academic Excellence

Job Position: Tutor

What is the best part of your job? I enjoy helping fellow Drew students understand material from courses and advising them on how to break down their tasks into manageable pieces.

Francy Camacho '19

Department: Technology Department

Job Position: Technology Assistant

How will your student employment experience help you in the future? It helps me gain a bigger understand of hardware and software issues.

Jillian Canal '19

Department: Box Office Sales Assistant & Usher

Position: Concert Hall

How will your student employment experience help you in the future? I plan on being a Music Therapist so this gave me an insight on many technicalities in the field and how to be prepared to engage and help others.

Jael Estrada '19

Department: Drew Library

Position: Archival Processing Student Assistant (Spanish language)

How will your student employment experience help you in the future? I believe being bilingual is a huge advantage in the workforce. Communication in the workplace is important, and with more transnational companies, bilingualism a high priority. Being able to say that I was able to develop my Spanish skills by translating archives will help me stand out.

Emma Gillespie '19

Departments: Center for Academic Excellence, History, Communications, Art,

Job Positions: Tutor & Academic Coach, Leader, Photographer, Lab Monitor

What is the best part of being a CAE Tutor? Tutors helped me so much during my first two years here at Drew, and I love that I am able to do the same for others now.

Caroline Kelly '19

Departments: Athletics, Biology

Job Positions: Equipment Manager Assistant, Teachers Assistant

How will your student employment experience help you in the future? Improves my organizational skills and increased my knowledge about anatomy.

Shayna Miller '19

Department: Art

Position: Gallery and Studio Assistant

What is the best part of your job? Learning how to install exhibits, working with artists, and learning about maintaining studios.

Joe Russano '19

Department: Admissions- Campus Experience

Position: Campus Experience Intern

How will your student employment experience help you in the future? It has provided me with communication, multi-tasking, and interpersonal skills

Brianna Siciliano '19

Department: Digital Humanities

Position: Digital Humanities Fellow

How did you receive this position? I approached Professor Jamieson expressing interest in being a tech fellow for her Blogs & Tweets class, and she later gained approval to hire me!

Sanjana Vishwanath '19

Department: MRC

Job position: Student Technician

How will your student employment experience help you in the future? I have learned about the work environment and professionalism.

Sarah Burcaw '20

Department: Athletics

Job Position: Athletic Laundry Services Student Employee

How will your student employment experience help you in the future? Working in this specific department has taught me organizational skills and how to better budget my time in the sense of completing tasks in a timely manner given to me by my boss. I've communicated with the coaches about what specific uniforms they want, how their team is handling their laundry, and what things we could do better as a department to provide all the teams with proper gear.

Veronica Gordon '20

Department: Art Department

Job Position: Studio Assistant

What is the best part of your job? Having the opportunity to meet amazing artists who have exhibitions in the gallery.

Ava Gustafson '20

Department: Center for Academic Excellence

Job Position: Humanities Tutor, Academic Coach

How did you get this job? I was recommended by my academic advisor and was accepted when I applied.

Virginia Leach '20

Department: Residential Life

Job Position: Desk Attendant

What is the best part of your job? The Desk Attendant staff is very respectful and helpful. Anytime someone needs coverage, their shift can be covered within one hour of being asked.

Samantha Hecker '20

Department: Health Services

Position: Student Receptionist

How will your student employment experience help you in the future? This will give me experience on how to work in a professional office in the future. I have also learned more time management skills and how to multitask. I want to work with people in my career and this has given me practice about how to work with the general public.

Alexandria Holroyd '20

Department: Center for Academic Excellence

Job Position: Tutor

What is the best part of your job? I love getting to talk about biology and help people understand it! I am incredibly passionate about cellular biology and getting to express this passion makes my soul feel good. Going over the material helps me commit it to memory even more and strengthens my scientific communication skills.

Tytianna Jackson '20

Department: Alumni House

Position: Phonathon Ambassador

What is the best part of your job? Talking to alumni has given me a better understanding of what I want to do in the future

Elizabeth Smith '21

Department: Aquatics

Position: Lifeguard

How will your student employment experience help you in the future? This job has taught me patience and accountability

Tessa Bagby '22

Department:Instructional Technology

Position: Video Production Assistant

What is the best part of your job?I'm learning about all aspects of video production, which is something I'm interested in as a potential career. I'm getting practical experience while working with other students who I really enjoy spending time with.

Christina Beviano '22

Department: Library Circulation

Position: Student Assistant

How will your student employment experience help you in the future? Add more to my resume with diverse tasks

Antonio Boffa '22

Department: Acorn Academy

Position: Teacher's Assistant

How will your student employment experience help you in the future? I am developing leadership and communication skills that will help me in future careers.

Audrey Borba '22

Department: Art Department

Position: Student Assistant

What is the best part of your job? I like the people I work with and the working environment. There is always something new happening.

Isabel Elliott '22

Department: Acorn Academy

Position: Daycare Helper

How will your student employment experience help you in the future? Increased interpersonal skills

Abby Freeman '22

Department: Center for Academic Excellence

Position: German Tutor

What is the best part of your job? I really enjoy getting to help other students with concepts that I, myself, struggled with and now understand.

Hannah Goldbach '22

Department: NABE (Civic Engagement service)

Position: ESOL tutor

What is the best part of your job? I really enjoy getting to know the students I am teaching. They all want to learn English for different reasons, but all of them approach it with passion and dedication.

Jessica Luis '22

Department: Aquatics

Position: Lifeguard

What is the best part of your job? Meeting new people everyday.

Joseph Obonyo '22

Department: Admissions

Job Position: Campus Ambassador

How did you get this job? At the job fair during the fall semester

Krystal Palmer '22

Department: Athletics

Position: Student Worker

How did you get this job? I found the job through Drew Link. However, I introduced myself at the job fair and filled out my applications that day.

Isabella Trinidad '22

Department: Acorn Academy

Position: Assistant

How did you get this job? I walked in and asked if they needed help

Lora "Alex" Carney Graduate Student - Theological School

Department: Library Circulation

Position: Student Supervisor

What is the best part of your job? Getting to know people and help them

Janelle Gayle Graduate Student - Theological School

Department: Caspersen School

Position: Student Worker

How will your student employment experience help you in the future? This is good experience because it teaches engagement with the general public and sharpens administrative skills which are needed no matter what industry you undertake.

Alyssa Keifer Graduate Student - Theological School

Department: Student Activities

Position: Volunteer Resource Center Coordinator

How will your student employment experience help you in the future? It will allow me to gain the skills of planning events, networking with other offices, and community engagement skills.

Han Kil Kim Graduate Student - Theological School

Department: Aquatics
