Drew Summer College

Student Packing List

Dress for the Drew Summer College is casual. Students may wear shorts or jeans to classes and activities, avoiding very short shorts or skirts and very revealing tanks or other tops. Rooms in which they will have classes and other activities are air-conditioned and can get quite cold, so they might want a light layer for the chillier buildings or for cool evenings. Residence halls are also air-conditioned. Bathrooms are shared and likely to be down the corridor from student rooms. Coin-operated laundry facilities are available in the residence halls.

What to Bring

Casual clothes (shorts, jeans or other pants, skirts, t-shirts, sport shirts, etc.)
