

**Hartford Seminary
Cooperative Master of Divinity Program
with Drew University Theological School
Advising Guidelines**

Important note: This chart is intended to help students in the Cooperative M.Div. program make informed choices about courses they may take at Hartford Seminary that will satisfy core area degree requirements at Drew Theological School. Students should be aware, however, that whether or not a Hartford Seminary course will meet a specific area requirement is a determination that is finally in the hands of the Drew faculty, and that decision is made after the student has applied and been admitted to Drew. This chart is a reliable guide of equivalency, but not guarantees. Because course offerings and degree/curricular requirements at all institutions change over time, students should ask their advisors each academic year for the most recent version of this document.
